

VISION STATEMENT AND GRANTMAKING GUIDELINES

Vision Statement

American Girl's Fund for Children (FFC) is a catalyst for connecting cultural arts and environmental resources with children. The Fund's goal is to create a community in which each Dane County, Wisconsin child, regardless of income, learns to regard all art forms and the environment as an integral part of everyday life and learning. In accomplishing this, our children will grow to become stewards of the County's artistic and natural resources.

Purpose Statement

The purpose of American Girl's Fund For Children is to support innovative programming for children ages 0-18 in Dane County. To that end, the Fund will entertain proposals for programs that:

- Expose children to excellence in arts, culture, entertainment or hands-on education related to arts or the environment;
- Illustrate collaboration with other local organizations and/or schools in Dane County;
- Support or complement classroom curriculum;
- Foster cooperation between children, parents, and educators;
- Serve primarily children in Dane County;
- Indicate that a grant from FFC may be leveraged to secure matching grants from other corporations, foundations, individuals, the County, State, or other funding sources.

What the Fund For Children Is Unable to Fund

The Fund For Children is unable to provide financial support for the following:

Fund For Children Description

Since 1987, American Girl has donated its seconds and returned merchandise to Madison Children's Museum. Since 2009, the product donations consist mainly of doll and book items. A group of dedicated community volunteers organize and hold the American Girl Sale each summer. Proceeds from the Sale are allocated between Madison Children's Museum and American Girl's Fund For Children.

Following the American Girl Sale, the proceeds allocation returned to American Girl's Fund For Children is held by the Madison Community Foundation for disbursement through an annual grantmaking process. American Girl's Fund For Children returns 100% of their proceeds allocation to the community.

The Fund For Children board is comprised of seven appointed representatives from American Girl.
